2010 Crusin' The Heartland with Comcast

This summer the Elizabethtown-Hardin County Chamber of Commerce introduces a new family oriented event for all of Hardin County to enjoy.

In cooperation with Comcast, we are pleased to introduce the inaugural event, "Crusin' The Heartland with Comcast" .

It is important that your Chamber be active not only promoting commerce, but also finding opportunities to add to our " quality of place, quality of life" .

Events like this need sponsorships to be successful and we ask for your support. In return, we will maximize the exposure of your company so that those who attend will know your commitment to our communities.

The different sponsorship levels are as follows:

Classic Sponsor - \$5000, Hemi Sponsor - \$2500, Big Block Sponsor - \$1000, Small Block Sponsor - \$500. And Friends of " Crusin' The Heartland with Comcast" - \$100

Respectfully,

Rik Hawkins
